

Moving platform with radio remote control, type FB 25-FU

Technical Data - site 1

type	FB_2mx1m
dimensions	2.000 x 1.000 x 167 mm
max. bearing capacity	2.000 kg
supply voltage required for battery charger	230 V / 50 Hz
max. range of the radio remote control	100 m
functions	forward/backward, turning right/left
max. travelling speed	8-50 m/min
max. rotation speed	1-5 rpm
max. operating time	6 h
standard surface	wooden cover with black surface
